

Angus Reid

Champion. Leader. Speaker. Coach.

INTRODUCTION

Our speaker today is a two-time Grey Cup Champion who spent 13 seasons in the trenches of professional football with the BC Lions. Known for his grit, leadership, and heart, Angus Reid made a career out of turning adversity into opportunity.

Since retiring, he's become a sought-after speaker, leadership coach, and author—showing teams, businesses, and individuals how to build elite mindsets and championship cultures that last. He co-created the groundbreaking 'Be More Than a Bystander' program, helping thousands take action against violence and build safer, stronger communities.

A passionate husband and proud father, he now brings the same intensity and insight that made him a CFL legend into boardrooms, locker rooms, and leadership teams across North America.

Please welcome... **Angus Reid.**
